# Chairman's Message

*The Annual General Meeting of Members of the Club for 1979 was held on Wednesday evening 13th June and your Committee was re-elected for a further 12 months.*

*The vacancy on the Committee caused through my appointment as Chairman was filled by Mr. Norman Rogers, a well known and popular Club Member, and on behalf of the Committee I take this opportunity to once again warmly welcome him and trust that he will serve on the Committee for many years and find the meetings and discussion interesting and stimulating and that he will gain great satisfaction from his service on the Committee. Norman has already been appointed to the Race Sub-Committee where his deep knowledge of the sport will ensure that he will contribute a great deal to that Sub-Committee's work.*

*The House Sub-Committee was re-elected and will comprise the same Members as last year.*

*Following the resignation of your former Chairman Mr. Jim Comans, the Committee accompanied by their wives, attended a formal dinner in the Committee Room on Thursday evening 19th April, 1979 for Jim and his charming wife Gwen. During the dinner Jim was warmly praised for his great contribution to the Club as a Member of the Committee for 8 years and as its Chairman for 4 years, and was presented with his Life Membership Badge and a gold key to enable him to use the hospitality of the Committee Room. In proposing the toast. Jim's activities in the Club, particularly in the Swimming Club on the 3rd Floor, were dealt with at length and acknowledgement was made of his sporting record in Rugby League, Boxing and Surfing, his activities in the R.A.A.F during 'World War II' which earned him the D.F.C. and BAR and finally his contribution to to the sport of thoroughbred racing. Jim responded appropriately and the evening was acclaimed a great success.*

*On Tuesday, 29th May, the 50 Year Members' Luncheon was held in the Board Room and those honoured were Messrs. Jack Flitcroft, Keith Manion, Jack Phillips and David Tarrant. Unfortunately Mr. Charles Forrest and Mr. Harry Hutcherson were unable to attend. Our congratulations and best wishes are extended to the 50 year Members.*

*During the month of June the Billiards & Snooker Tournaments commence and this year saw a record number of entries. On this occasion we welcome Mr. Eddie Charlton as a competitor in the Snooker section.*

*As this magazine goes to the printers your Treasurer Mr. Peter McGrath and myself are preparing to go to Brisbane for the Brisbane Tattersall's Club Race Meeting to be held on Saturday, 30th June, 1979. This Meeting is in the middle of a very important period in the Queensland Racing Calender and your Club has been represented at these Meetings for a great number of years evidencing the close relationship that has existed between our two Clubs. We wish them every success for next Saturday.*

*Also on the same day, 30th June, Adelaide Tattersall's Club celebrate their Centenary and on behalf of our Club your Chairman has sent a message of congratulations on their 100th Birthday, a most historical occasion for them indeed.*

*With kind regards.*

K.H. MOREMON, Chairman.

# Support your Club!

## THIS FIRST FLOOR ROOM IS AVAILABLE FOR FUNCTIONS — IT IS A GRAND SETTING!

We have an excellent club, one we are justly proud of, offering all the major facilities of good club life. All Club members can help to maintain the traditions of Tattersall's Club. Support our club to the fullest, use it well. It offers plenty to the businessman too. Rooms are available for conferences, meetings, entertaining on all scales. It is very important for members to use all sections of the Club — How long is it since you've visited the third floor? — The Athletic Section and Swimming Pool — you don't have to be an athlete to go there. The 1st Floor is an ideal meeting place for pre-dinner drinks — 2nd Floor snack lunch is very popular — 4th Floor, with Andy to guide you to a nice table, is the place for a meal well served with an extensive choice of wines which will more than satisfy — so please support your Club!

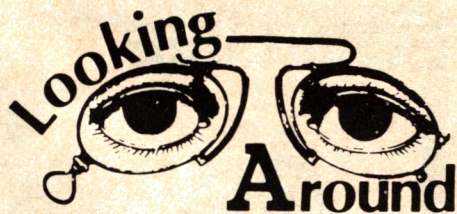

### NORMAN RONALD ROGERS

Newly elected Committee member Norm Rogers will be a fine addition to the Committee. Norman is a very popular sportsman and a very active member. He will add strength to sporting activities on the third floor. Here is a brief outline of club and general activities that makes Norman go.

Joined Tattersall's Club in 1959. Handball Secretary 1961-1975. Handball Champion 1968. Member Tattersall's Snooker, Ski, Swimming, Golf and Epicurean Clubs. Member of S.T.C., A.J.C., Cricketers, R.S.L. Club etc. Races many good race horses including "Clovelly", "Munchen", "Ready O' Ready", and "Clubs are Trumps".

Married with three sons, all All Australian Swim Champions (Greg, Ron and Neil). A.I.F. 1941-1946. Senior Secretary Queensland Coast and Torres Strait Pilot Services since 1951, Managing Partner of Banks Bros. & Street Shipbrokers and Marine Valuers. Company Director, Justice of the Peace and Associate of the Institute of Transport of Australia.

We congratulate Norman and wish him every success.

### THE POUND STERLING

There's a story doing the rounds about some men attending the funeral of a mutual friend. An Englishman placed a £50 note on the coffin in accord with ancient custom. He insisted that the Scot do the same thing; protesting, he did. A Jew said he would better both of them — he came up with £100, but he gave a cheque for £200 and took the two fifties change! Following day, the cheque was cashed — by the Welsh parson.

### SYDNEY

When someone buys a television station, it's *NEWS!*

Rupert Murdoch media group increased the stake in Channel 10 to 30% with ¼ of its goal achieved. It has ousted AWA from its 26% dominant holding — understand millions of UTL shares come into the pool too. Noticed that 10 topped the last ratings taken.

### IS THERE A DOCTOR?

A doctor mate at my Golf Club told me of a colleague who sometimes over-indulged at the Club.

On arriving home one evening (not feeling much pain), he was summoned to see a lady patient. He was very conscious of his condition, especially when he tried to measure the pulse beats: "Drunk by God!" he muttered.

Next day when remorse set in, recollecting the situation, he was greatly concerned. The doctor was thinking of an explanation to offer to the little old lady.

A letter from her was delivered to him by hand. "She too well knew" said the message "that he had discovered the real condition in which she was when he visited her." She begged him keep her secret and in consideration of the enclosed (two crisp \$50.00 notes).

# BOWLING

## Tattersall's Club at 14th Australian Turf Bowling Carnival at Melbourne- 1979

It is a long time since Tattersall's has been so strongly represented despite the lack of numbers.

Our Side's form up to the final round indicated that we could expect to finish in 2nd place, however, towards the end of the Series our shortage of reserves created a real problem and Brisbane coasted to a ½ point margin to take the runners up spot.

### Final Point Scores

City Tattersall's	37½
Brisbane Tattersall's	27½
Sydney Tattersall's	27
Newcastle Tattersall's	24
Canberra	20½
Melbourne	17
Adelaide	10½
Victoria	4

These interstate contests leave little time for relaxation and are a real test for the old and bold.

Bowling venues were:—

- 1st Day — Middle Park Club  
3 Rounds of 15 ends
- 2nd Day — Frankston Club  
2 Rounds of 21 ends
- 3rd Day — Fitzroy Club  
2 Rounds of 21 ends

Our visit to the City of Frankston Bowling Club was of some interest as it is to be the venue for World Bowling Championships in January, 1980.

Here are the details of the World Title Facilities:

Facilities to be installed for the world bowls championships at Frankston, Victoria, next January include:—

- \*Tiered seating overlooking all four greens, to accommodate 4,500 people; standing room only for a further 1,500.
- \*A score board measuring 104 feet in length, carrying scores of every game in progress, in addition to outright team and individual positions.
- \*A separate press box overlooking all four greens.
- \*Neighbouring off-street parking for up to 2,500 cars.

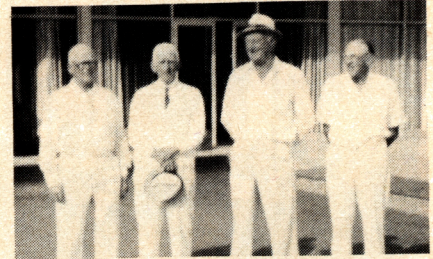

\*Full catering and bar facilities to service up to 6,000 people daily.

Our thanks go to Melbourne Tattersall's Bowlers led by Jim Kerr and Alf Day for a very pleasant week and some expert tipping at mid-week Flemington Meeting.

Lets hope this bowling week will spark a return of greater interest in the Bowling Section of Tattersall's Club.

Peter McGrath is particularly enthusiastic so have a yarn with him.

April births in the Molloy legal family. Grandfather Brian Molloy is recovering well from being presented with a grandson on April 2, by Graham Molloy, to be followed on April 20 with another grandson by Derek Molloy. The luncheons on the 2nd floor must be more nutritious than many members are aware.

\* \* \*

The group surrounding Ron Murphy on the 1st floor had a real "salty" touch about them. Ron is Travel Manager for the Rural Bank. "On board" at the 1st floor Bar celebrating was member, Bruce Morton, Manager P. & O., plus Dick Wales, Chris Box, Colin Fossey, Dennis Stobo (all P. & O.) Keith Bambridge from advertising agency, Ogilvie & Mather.

Bruce is heading up Tonga way and is assured of the royal treatment.

\* \* \*

Smiling Bill Graf had a spell in hospital 9 years ago. So each year Bill gathers some of the people originally involved. It is a good excuse for a dinner party this year. Trainer, Neville Begg, Dr. Wyndham, Dr. Bernside and Dr. Becker. Bankers Bob White and Jack Kenny were there too. Phil Loiterton kept it legal with his presence.

Bill is a very simple man and enjoys a lot of the natural things of club and sporting life — it's always a pleasure to see him.

\* \* \*

Member, Frank Starr, has come up with a novel lunch idea. Come by train from Bondi Junction and make a group lunch at the Club (on a set day of the week). Frank's number is 389-9165, give him a ring and discuss details. He is at his surgery daily.

Member, Gerald Wells, a 3rd floor regular for years, in between being Chairman of City Mutual Life. He was wearing a happy smile when he told us the latter end of the last year was a record and the first quarter was up 20% in the new premium income. We wish the quiet Gerald continued success which he deserves.

\* \* \*

Personality man, Jim Burrell, has a thousand friends — we caught him with a group on the 1st floor. They were having a "starter" before retiring to the 4th floor for lunch. In the party, members, Paul Pembroke, Jack O'Neill (looking well too). Visitors, Peter Davenny, Washington, who was a guest of the Club, and Bob Black, Director of the New Zealand National Heart Foundation.

Jim was at his sparkling best making everyone feel wanted.

\* \* \*

Club Member Dr. Brian Vickers daughter Jane Elizabeth celebrated her marriage to John Pascoe with an extremely happy Wedding Reception in the Club Room recently. Mrs. Vickers has told us that Jane and John are enjoying a honeymoon in Europe and we wish them all the very best.

\* \* \*

Club Members Ray Walsh and Jim Baker.

Tattersall's Club members up Honolulu way on the happy boat "ILIMA V". They sit proudly under the catch — Ray Walsh (35 lb. Mahimahi) and Jim Baker (28 lb. Mahimahi). The Mahimahi is also called Dolphin Fish.

David Fullerton took the photographs. It was a fun day. Ray told us the cost per fish \$US300 plus, and that is without the beer and chips!

## TO THE EDITOR, TCM

Os, The Chairman, Committee and Members of Tattersall's Club send you their best wishes for a very speedy recoupment from your recent illness and hospitalisation. We know wife Pat has been a pillar of strength and Pat we send our kind regards to you too.

\* \* \*

Terry and Barbara Forrest had a double celebration in the Dining Room for daughter Margaret's 21st Birthday and daughter Victoria who has just returned from 2 years in London. Terry and Barbara have also recently purchased a home at Castle Cove which added another purpose for the happy evening.

Bookmaker, Homer Jones, steps down from the rails. A very well respected Club member who has served race-goers with genuine attention. We wish him well and hope we see a lot of him at Tattersall's.

\* \* \*

We were interested to hear that Jane (Vickers) Pascoe's great grandfather John Muller was a foundation Member of Tattersall's Club which is something indeed to be very proud of.

\* \* \*

*Tattersall's Committeeman David Dransfield caught in a happy mood — must have been a good story from Brian Nagel to get this result.*

\* \* \*

After 46½ years with John Dewar & Sons Ltd., Jim Henderson, General Manager of the Company in 1932 and served 10 years in the United Kingdom, 6 years in H.M. Forces, and a little over 30 years out here in Australia.

He has been a member of Wholesale Wine & Spirit Merchant's Association of New South Wales for 29 years and was a Vice-President on several occasions.

He has left on U.K. Home Furlough and will be away for some three months. On his return he proposes to continue to live in Rose Bay, and looks forward to meeting up with members of the Club when he comes to town from time to time.

Jim is the longest serving member of Dewar's staff anywhere in the world.

He will be succeeded by Charles Avery w.e.f. 1st June, 1979.

*Good luck Jim. We'll be glad to see you round the Club on your return — and the drop of Dewars will be just as good.*

Ed.

A tour overseas was the excuse for Mr. & Mrs. John Rees to celebrate the happening for Mr. & Mrs. J.C. Harris. It was a perfect dinner on the Fourth Floor.

\* \* \*

Member, Roger Kelly found a lovely way to farewell Sue and Roger Kelly and son James. His cousins Michael Kelly, their friend Lee Freedman (son of Club member Tony Freedman) are all going on a working holiday to England and the Continent. The party of 26 had an enjoyable evening in the Dining Room. Their trip didn't lack the good wishes of the friends farewelling them.

\* \* \*

Frank Starr and his wife, Denise congratulated nephew Michael Burden on his 21st birthday. It was fitting to gather at Tattersall's. Sisters Gloria, Neise and Annette were there too to share the wonderful evening.

\* \* \*

\* \* \*

A trip to Washington, D.C. for Mrs. H. Costello to greet the 7th grandchild was the reason for a dinner at Tattersall's. Lance Costello, daughters, Anne and Gail with husbands Mark Lemon and John Marshall enjoyed the spirit of the evening meal, superbly arranged by Harry Costello.

\* \* \*

\* \* \*

Mr. and Mrs. Pat Murray celebrated the birthday of their eldest son Tom. The family group included brother Michael and two sisters, Margo and Tricia and school friend, Ross Shaw. The Murrys are a very happy couple and it's natural the joy of the family is ever present with them.

## SKI CLUB

### TATTERSALLS SKI CLUB CROSS-COUNTRY TOUR

*By Charles Coppa*

During a recent Ski Club week at Roslyn Lodge, Thredbo, I had the pleasure of introducing Ski Club officials Bas Phillips and Ken Finn to the wonderful experience of cross-country skiing.

For the chairlife enslaved downhill skier cross-country ski-ing opens up another world. The world of rocky peaks and the rugged terrain of the western side of the Australian Alps; the world of long, steep slopes of virgin, gleaming snows seldom marked by the tracks of other skiers — and never a mogul in sight! A peaceful, quiet, unspoilt world.

We set off from the top of the chairlift in a westerly direction, climbing steadily and easily on our light as a feather special skis, our boots, no heavier than running shoes, held to the skis by a few ounces of metal at the toe. What a relief from the stiff, heavy downhill gear, what freedom: the freedom of a bird in flight, of a chamoix bounding from rock to rock!

We climbed to snowy saddles, skirted round rocky tors, glided down long slopes; the swish of our skis was the only sound to disturb the stillness of the mountain tops. We were heading for Ramshead, one of the highest points on the Alps. A last stiff pinch on some icy crust and there we were with magnificent views on all sides. To the west the countless ridges of the Victorian Alps, each ridge outlined in mist like a Japanese painting. To the north Mt. Kosciusko; to the south the rocky pile of South Ramshead, our destination.

We lunched on the way there, perched like the proverbial shags on a rock, looking down into the deep valley of Leatherbarrel Creek. On our return we followed a more southerly route, overlooking Dead Horse Gap and the Crakenback River.

One last long swoop on crystallized snow and we were back at Top Station above Thredbo Village, tired, happy and exhilarated. The ranks of cross-country skiers now numbers two more enthusiastic converts.

# Golfer's Delight

Member Bill Hunt's golfing party jaunt around some magnificent golf courses over Hawaii way must have been a great fun trip — here is his report and impressions.

We departed Sydney in March and the party of 12 included Tattersall's Club members Perc Edwards, Bob Griffiths, Steve Zappia and yours truly (Bill Hunt) with wives.

We flew Pan Am to Honolulu and then to the island of Kauai where Bob Griffiths and I had a practice round of 18 holes almost before we had left home. In the course of the next few days we played Wailua, Kauai Surf and Princeville where the World Cup was recently played.

Next stop was the big island of Hawaii where we played at Keaulow-Kona and the truly magnificent resort of Mauna Kea. The hotel and beach have to be seen to be believed and the golf course is everything a golfer could desire. An absolute must for future golfers visiting the islands.

We then moved on to the beautiful island of Maui where we played at Royal Kaanapali, Wailia and the newly built course of Kapalua which was designed by Arnold Palmer. Despite its newness the course is in top class condition — a good testing layout with several great golf holes.

Finally we flew to Honolulu where we played at Makaha and Hawaii Kai.

In all we played 10 courses all of which were in first class order and under ideal weather conditions. There were many interesting holes and as all the courses were by the ocean several frightening water carries and lakes and dams added to the score of lost balls. We all experienced a lot of trouble on the greens as they are super large, undulating and very fast.

Steve Zappia proved to be the top golfer despite some severe re-handicapping. He was assisted by a new set of clubs and the Napa Valley wines which took their toll after several fun dinners in a number of fine restaurants. Perc Edwards, the early leader, would also be inclined to blame the French Champagne (for which he has a penchant).

Apart from wives Marion Edwards, Joan Griffiths and Margaret Hunt we were also joined by Leon & Leith Myerson, Vice & Rita Hughes and Danny Zubani the "funny man" of the tour.

Needless to say we found time to swim, shop & wine and dine almost

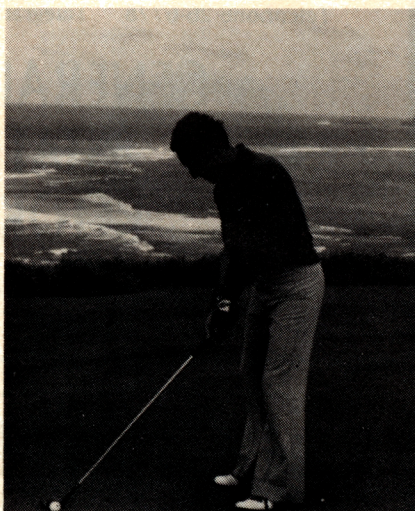

every night. Watch out for the well-dressed golfers on our next outing.

The whole trip was so successful that I am planning another similar tour for about September or October. Once again for 3 weeks. I am also investigating the possibility of a tour to the U.S.A. at about this time next year. Several of the group have already expressed some interest in such a trip. I will be happy to keep any interested members informed.

## GOLF DAY — JUNE 14

The weather, the course, the company and, in particular, the Killara hospitality, made our last outing at Killara Golf Club, one of the most memorable for years. Seventy-three starters, including 27 visitors, teed off in ideal conditions on a course that was groomed to perfection — congratulations and many thanks to the Committee and staff of Killara for a wonderful day.

The standard of the golf was equal to the conditions, with many fine scores being recorded. The overall winners on the day were:—

Steve Zappia enjoying the Princeville course.

Happy group from the Hawain Golf Trip with club members Bob Griffiths and Perc Edwards and their wives.

4-Ball, Warren Swan and Andy Town with 40 points, from runners-up, Jim McCann and Steve Rattray, 45 points.

Rod Fisher and visitor, Tony Mayo, managed to win a ball with 44 points and easily won the money from the opposition, two former champs, Dick Scott and Kevin Simmonds.

In the members' singles, Hugh Norton just pipped Clive Jewitt on the count-back with 38 points, with Phil Byrnes next best on 37.

In the visitors, Les McCorquordale also won a count-back from Tony Mayo with 37 points, with 4-Ball runners-up Steve Rattray and Jim McCann both on 37.

After the presentations, those who were allowed adjourned to the Snooker Room and barman, Peter, with the aid of some great organisation by Dick Scott, looked after the rest.

A great day all round and we look forward to our next outing at Avondale on Wednesday, July 18 — be there.

Friend Danny Zubani really seemed to enjoy the native life.

Happiness at Kapalua. Members Bill Hunt and Bob Griffiths with Danny Zubani.

# Billiards & Snooker

By Syd Lane

The 1979 Tournaments have begun with great gusto — commencing with the Calcutta auction held on Monday, 28th June. This year the Auction was held at 4.00 p.m. instead of the usual 2.00 p.m. and was conducted in the second floor buffet. This was voted to be a great improvement due to the increased attendance which added to the general atmosphere and the enthusiastic response to the auctioneer's cajoling. As usual the cajoling one was Tom Powell who comperes this event with great success. Needless to say this year's Grand Snooker Tournament will be the best and biggest of all time for the Club.

Another factor which adds to the interest this year is that Eddie Charlton, a champion of world renown, has made time available to compete in this tournament for the first time, and will have to be in his very top form in every match to win from a handicap of 60 BEHIND!

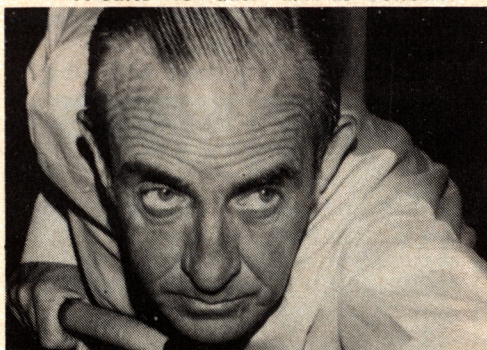

During the Auction the Club served drinks and savouries and, when the sale finished, about 6.30 p.m., approximately fifty members and friends adjourned to the fourth floor for

dinner, all of which made for a very convivial occasion.

Although only a few games had been played at the time these notes were written, there have been the usual upsets which always seem to be associated with one-frame matches.

In the first encounter of the tourney, Tom Farrar was favourite to beat Stuart Adams but was outplayed, finally being beaten by Stuart after fortunes fluctuated several times. Bruce Cox, Doug Cameron, David Dind, Dave Casben, Vic Darby, Phil Byrnes and yours truly are others who went in as favourites but came out defeated. They all look forward to 1980 being a kinder year.

Results to date are as follows:

*A champion, Warren Simpson always adds lustre to the Snooker Tournament. He won his first match with a display of excellent tactics plus aggressive potting.*

## DRAW FOR CHAMPIONSHIPS

### A GRADE

A non-player in last year's Championships, Michael O'Dea, has leapt into consideration for this year's event, and is bracketed as equal favourite with Neil Rogers, present title holder, and Ron Rogers.

Ron is a doubtful starter at this juncture but, if he elects to play, he would be one of the hardest to beat.

This year's field is a star studded gathering and, if all entrants participate, the winner will be a worthy champ. Closely following the three favourites is last year's runner-up, Ken Glass, and little improvement would be required for him to win the title. Ray Hopkins is always a force to be reckoned with in top company, Bob Lipman, ex champ, is there within striking distance and Norm Rogers is a tower of strength when 100% fit.

The newer brigade in first class fixtures, John McGuire, Bob Callaghan, John Byrne, Mal Fuller, David Murray, Bill Sellen and Bill Blakemore, are all capable of producing an upset result. Steady players, who have toppled

some of the giants in the past, Charles Robinson and William Hannan, complete the field.

### B GRADE

Favourite for the 1979 B Grade Single's Championship must be Ven Hrouda who has had more of his share of bad luck in recent years by being forced to play when out of condition, or when carrying an injury or by an enforced forfeiture.

A newcomer, Alex Hillston, could provide the biggest hurdle for a Hrouda victory. Alex, with youth and an abundance of experience, is improving rapidly and is equal second favourite with Tony Baine. Tony is not a stranger to the venue for the Championships, having earned his place in B Grade draw following victories in the lower grades.

Stan Droder is in there with a big chance following promotion in successive years in the C and D Grades. A very interesting first round match is that between Martin McCurrick and Stan Heaton. Martin is improving with every game following an enforced absence from the courts with a fractured leg while Stan's play is always difficult for an opponent to master.

Charles Griffiths knows more about handball than most and any victory he chalks up is never a surprise. Rod Fisher has unluckily been drawn in

the worst half of the draw and faces a difficult path to the final. John Barnes and Don Stait could both provide a surprise result while Bill Orme, Richard Horne, Sid Kay, Peter Ashby and Wal Grey could perhaps have better chances with more practice.

Dark horse of the field is Bruce Upcroft, who has been sidelined for months because of injuries but, with a quick return to his form of past year, he could well be a finalist.

### C GRADE

The three Salier brothers, Gordon, Doug and Tony, dominate this Grade and must be bracketed as equal favourites. Gordon has twice figured in finals in this division and this could easily be his year. While Doug has won a novice championship, Tony is not far behind and it would well be a Salier final.

David Dobbins earned promotion to this competition by reason of a whirlwind win in last year's D Grade Championship. Michael Trawley, with application, could win games as could recent finalist, John Reid.

Tim O'Dillo-Maher, a D Grade finalist, is in the easier half of the draw and Alan Connolly, with practice, could get within striking distance of the favourites.

## GUSTATORY DELIGHTS FOR EPICUREANS

Flavoursome delicacies and international taste thrills were savoured by a convivial group of Epicureans of Tattersall's Club at the recent New Zealand International Night.

The Dinner was masterfully prepared and presented by chef, Danny, and the Club staff excelled in service and attention to the merry guests. This attention was warmly appreciated.

The brainchild for this function was Epicurean committee member, Bob Swinbourne. Bob outlined suggestion for such a dinner, organised the menu, contacted the Consul-General for New Zealand, and arranged especially for the import of venison. From the New Zealand Tourist Bureau, Bob obtained some scientific display materials for decorations and arranged for some wonderful door prizes — on this occasion, six of our lucky lady guests took home highly valued prizes.

Our guests of honour were Russell McStay, the Consul-General for New Zealand and his attractive wife, Lois. Russell consented to be our guest speaker and related a great deal of interesting information to the guests about the development of the deer industry in New Zealand.

Champagne cocktails and New Zealand beer served with delectable savouries preceded dinner.

A magnificent dinner followed. Toheroa soup, roast venison, New Zealand strawberries and kiwi fruit, with New Zealand Epicure cheese and coffee.

Two splendid table wines, McWilliams Mount Pleasant Elizabeth Riesling, 1977, and Philip Hermitage, 1968, complemented a memorable meal.

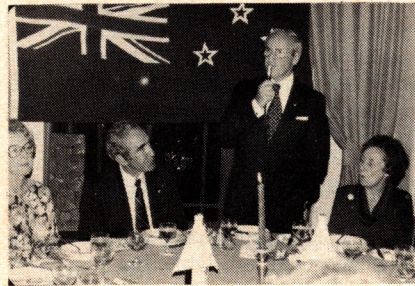

Other welcome guests from the office of the Consulate General were Mr. and Mrs. Victor Moss.

Among the Epicureans present, it was good to see our Chief Epicurean, Victor Vadas, in hale and hearty form once again after a spell in hospital. Victor organised a large table party, including amongst others, Geoff and Rona Eastment, Tom and Peg Dickman and Mr. and Mrs. Schahinger.

John and Beverley McClean, new members of the Epicureans, invited guests Philip and Betty Shrapnell and Lorne and Gervase Pursell.

Basil and Pam Phillips added to the

international atmosphere with guest Karl Hamburger — a visitor from the United States of America — and the proud possessor of a name that will endear him to all Australians.

Mrs Pat Amy, Mr. Russell McStay, Mr. Neville Amy, Mrs McStay.

Vic Vadas, Mr. Russell McStay — Consul General for New Zealand, Mrs McStay, Mr. Charles Coppa.

Doug Shahinger, Mrs Betty Shahinger, Mrs Olga Black

One of the happy parties at the New Zealand Night.

Mr. and Mrs. Bill Aitkenhead and their friend, Mr. Alex Bremner.

## HANDBALL NOTES

CONTD.

Neville Amy has revealed patches of form which would have to be considered classy enough to win this title and Paul Vrachnas has the form on the board to be considered as a worthy opponent.

Les Hams could provide surprises and David Castle, if he ever lives up to the promise he revealed in past seasons, could worry the favourites.

Terry Jackman is a newcomer and has been under double wraps, so very little is known of his ability.

Wal Tyler, Bob Adams and Bill Moore make up the field and each could win games.

Entries are being sought for both the D Grade and Novice Championships, and they will only be held if sufficient entries are received.

All players are urged to play all games spontaneously, zealously and with alacrity.

## TATTERSALL'S PLATE

The earlier rounds of the 1979 Tattersall's Plate are in course of decision and a full description of play will appear in the next magazine.

At present, it seems likely that the field will comprise the following stars from Bondi: Jim Robinson, Jim Campbell, with last year's finalists, winner, Noel Vella and Reg Chappell, from Tasmania: Don Hudson, Frank Caldwell and Tim O'Brien, from Clovelly: Gary Stubbs, Ray Hopkins and Neil Rogers: and Tattersall's representatives to be chosen from Ron Rogers, Michael O'Dea, Ken Glass, John Maguire, Bill Blakemore, Bob Lipman and Charles Robinson.

## TOBIAS, HOLMES AND BRUCE LAND. THE MARCH, APRIL AND JUNE TROPHIES

As expected, the March Point Score winner was Robert Tobias, whose superlative judgment enabled him to take the honours with a score of 43 points, one short of the possible from Alec McLelland on 37 and Terry Hill a half point astern with 36½.

The April event saw a much improved swimmer in Brian Holmes landing the prize with a total of 40¼ points, from the Silver Sharpe leader Chris Gunson 34½ with Mike McCormack a point away in third place. Both Gunson and McCormack met with the handicapper's displeasure and were docked a second.

May Monthly went to David Bruce with the handsome total of 42 points from unlucky Terry Forrest on 31½, with consistent Chris Gunson 27 filling third place. David looked like scoring the possible but Roger Farrell touched in front by a clipped fingernail.

The three Point Score winners took part in all four finals, a meritorious performance.

The June Point Score has Gordon Salier in front on 22 points from Brian Duncan, Jack Levy and John McClean all on 18 from Terry Forrest 15, Arthur Carney, David Dobbin and Rick Glover 14½, David Castle 13½, Mike McCormack, Tony Salier and Charles Coppa on 13.

### JACK MANDEL FAMILY EVENT

Wow! Has the Family event caused a furore of excitement, I'll say!

The first event, a Brace Relay over 40 yds., resulted in a dead heat between C. and F.L. Bowes, and D.M. Dobbin. The second event, over 80 yds., was also won by the Dobbin boys. The two heats of the third event went to Ted and Ian Joye and Neil and Norm Rogers, whilst the fifth tussle resulted in a dead heat between Jim and Nick Meagher and Col and Leigh Bowes. The heats of the sixth event were taken out by Bruce and Geoff Cameron, and David and Mike Dobbin. The two heats of the seventh swim went to T. and I. Joye and C. and F.L. Bowes. These events have been outstanding with brilliant performances by all contestants. I am sure the thrill of seeing Bruce and Geoff Cameron and Ted and Ian Joye winning their events brought joy to the many barrackers. With two events

to complete the series, the scores are C. and F.L. Bowes, 34½ points; D. and M. Dobbin, 33; T. and G. Salier, 31½; J. and N. Meagher, 24; T. and I. Joye, 20; Neil and N. Rogers, 15; G. and G. Cameron, 14.

It has been suggested that a body-guard be made available for the poor old handicapper, I am sure the contestants would like to boil him in oil or tear him in little pieces. Poor old bloke!

### SILVER SHARPE TROPHY

The exciting see-saw struggle between Jack Levy, John Reid and Chris Gunson for Tony McSweeney's Silver Sharpe Trophy, has kept interest at fever pitch. However, over the last couple of weeks, Chris Gunson has shown a fast turn of speed and bolted away with a lead of six points from Levy with Reid a further 9½ points astern with David Castle, John Ward, Michael McCormack, John Nicholas and Terry Forrest all gallantly battling for fourth place. The high rate of points scored the leader on 215½, 2nd 209½, 3rd 200, 4th 190, 5th 189, 6th 187½, 7th 184 and 8th 182, evinces the enthusiasm of this competition.

Demand for staging large parties is steadily growing. It is ideal for Weddings and Business groups. Members are advised to call at the office on the ground floor or write to the Secretary. Details of all rooms which members can use for Social Functions are listed below. The Secretary suggests that applications for use of all rooms be made as far in advance as possible. Full catering facilities with extensive menus will please all — the wine list is excellent. Smaller rooms — more intimate are ideal for a restricted dinner party for executive entertaining. The Sportsman's room is spacious with built in bar facilities, makes it ideal for a drink, talk and eat function — excellent for company involvement.
